Re: Opening a road from Seringapatam to Gen Thimmaiah through the Fig gardens

With reference to G O No L S 01-4/41 51-39-265 dated 20-2-1945, sanctioning the estimate amounting to Rs 7,000/- for the above work, I have the honour to state that tenders were called for, for the work, by the Executive Engineer, Mandya Division, in the first instance, in response to which, two tenders were received the lower of the two tenders was 78 more than the estimates As this was very high, instructions were xxxx issued on 12-3-1946, from this office to call for fresh quotations It is reported by the Superintending Engineer, Mysore Circle, that only one quotation, which is 58% more than the estimated rates has been received As this quotation is also very high, the Superintending Engineer has opined that this work may perhaps be deferred for the present I agree with him I request that approval of Government may kindly be conveyed to postpone the work for the present
